

getTTYMode

```
graph LR; A[getTTYMode] --> B[int80]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a thick black border, containing the text 'getTTYMode'. The right box has a white background and a thick black border, containing the text 'int80'. A dark blue arrow points from the right side of the left box to the left side of the right box.
