

`printLineFeed`

```
graph LR; A[printLineFeed] --> B[printNewLine]; B --> C[incCursor];
```

A flowchart with three rectangular boxes. The first box on the left is shaded gray and contains the text `printLineFeed`. A dark blue arrow points from the right side of this box to the top-left corner of a second box below it, which contains the text `printNewLine`. Another dark blue arrow points from the top-right corner of the second box to the bottom-left corner of a third box on the right, which contains the text `incCursor`. The third box is white with a black border.

`incCursor`

`printNewLine`
