

```
graph LR; A[exit] --> B[int80]
```

exit

The diagram consists of two rectangular boxes. The left box has a light gray background and a thick black border, containing the text 'exit'. The right box has a white background and a thick black border, containing the text 'int80'. A dark blue arrow points from the right side of the 'exit' box to the left side of the 'int80' box.
