

`_cli`

```
graph LR; A[kernel_main] --> B[_cli]
```

The diagram consists of two rectangular boxes. The box on the left is light gray and contains the text `_cli`. The box on the right is white and contains the text `kernel_main`. A dark blue arrow points from the right side of the `kernel_main` box to the left side of the `_cli` box, indicating a call or flow from `kernel_main` to `_cli`.

`kernel_main`
