

`allcmpPage`

```
graph LR; A[allcmpPage] --> B[initPage]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a thick black border, containing the text `allcmpPage`. The right box has a white background and a thick black border, containing the text `initPage`. A dark blue arrow points from the right side of the left box to the left side of the right box.

`initPage`
