

`_sys_read`

```
graph LR; A[_sys_read] --> B[memcpy]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text `_sys_read`. The right box is white with a black border and contains the text `memcpy`. A dark blue arrow points from the right side of the left box to the left side of the right box.

`memcpy`
