

`_sys_kill`

```
graph LR; A[_sys_kill] --> B[forceMultitasker]; A --> C[terminate]; C --> D[sysSetTTYFocusedProcess];
```

The diagram is a flowchart with four rectangular boxes. The first box on the left is shaded gray and contains the text `_sys_kill`. Two arrows originate from its right side: one points diagonally up and to the right to a white box containing `forceMultitasker`, and the other points diagonally down and to the right to a white box containing `terminate`. From the right side of the `terminate` box, a third arrow points horizontally to the right to a white box containing `sysSetTTYFocusedProcess`. All boxes have a black border, and the arrows are dark blue.

`forceMultitasker`

`terminate`

`sysSetTTYFocusedProcess`
