

stringHasChar

```
graph LR; A[stringHasChar] --> B[strlen]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box has a light gray background and a thick black border, containing the text 'stringHasChar'. The right box has a white background and a thick black border, containing the text 'strlen'. A dark blue arrow points from the right side of the left box to the left side of the right box.

strlen
