

`initMultitasker`

```
graph LR; A[initMultitasker] --> B[createProcess]; B --> C[int80ext];
```

The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text `initMultitasker`. A blue arrow points from the right side of this box to the left side of the second box. The second box is white and contains the text `createProcess`. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white and contains the text `int80ext`.

`createProcess`

`int80ext`
